14 December 1973

MEMORANDUM FOR: Acting Deputy Director for Management and Services

SUBJECT : Weekly Report

1. DCI/DCO Luncheon: On 12 December the undersigned had the pleasure of joining Mr. Colby for a business luncheon which afforded the opportunity for discussion of several topics. Mr. Colby made three very significant comments. First, he wants to propose a Joint Policy Committee on Communications be formed with the Department of State for the purpose of working out mutual policy problems. Secondly, he expressed a desire for the Agency to have a "secure" telephone system with an instrument on "every desk" and thirdly, he indicated the Agency pouch system possibly should be under OC. In general the undersigned was quite encouraged with the views expressed by Mr. Colby.

2. New Building, [REDACTED] OTS has withdrawn their requirement for space [REDACTED] therefore, we are re-examining our plans for a new building there at this time.

4. [REDACTED] During a battery switching sequence on 5 December, [REDACTED] operators were unable to bring up [REDACTED] in the high-power mode. Tests are being made to check various failure possibilities before we activate the Automatic Charge Controller bypass mode.
